Alexandria, VA 22313-1450

Sir:

Transmitted herewith is a copy of the Response to Species Election Requirement and Preliminary Amendment and Petition for Extension of Time Under 37 CFR 1.136 (a), which were originally submitted on March 2, 2005. A U.S.P.T.O. date stamped post card evidencing receipt of these documents by the Office.

Despite numerous attempts, Applicants have been unable to determine the status of the above-referenced application. Customer Service has indicated that the Response was never received, while the Examiner acknowledges that it has been received. In fact, electronic copies of the enclosed documents are available on the Office's PAIR system, but the list of events

available on the PAIR system does not show that these documents have been received or docketed by the Office.

It is respectfully requested that these documents be matched with the Office file and that the file be forwarded immediately to the Examiner for further consideration.

If any additional information is needed, the Office is kindly invited to telephone the undersigned attorney.

Respectfully submitted,
